

# NECAGUARD ESSENTIALS

## SIMPLIFIED INSURANCE

GET A NON  
OBLIGATORY  
QUOTE

Injury, illness and theft can happen at anytime - and in a small business like yours there may not be anyone to fall back on. That is why having insurance that protects you and your cashflow is so important.

Designed for small electrical businesses and sole contractors, NECAGuard Essentials provides comprehensive cover for your tools and accidents that's easy to understand and quick to set-up.

### WHY CHOOSE NECAGUARD ESSENTIALS?

-  Discounts off premiums for NECA Members
-  Flexible levels of cover
-  No fuss set up
-  Clear policy selections
-  NECAGuard cover more electrical activities than general insurers
-  Australian based support and advice
